1894,

With which is incorporated THE CRINA DIRECTORY. This is the THIRTY-SECOND ANNUAL ISSUE. and will be found, as usual, to show an advance on preceding years both in fulness and accuracy of information.

The DIRECTORY covers the whole of the ports and cities of the Far East From Pauang to Vladivostock, in which Europeans reside. Not only is the Directory as full and complete in each case as it can be made, but each Colony, Port, or Settlement is prefaced by a DESCRIP. TION, carefully revised each year, some of which vill serve as accurate Guides for the Tourist. living every detail in connection with the places. their History, Topography, Ac. &c. The Information afforded in these Descriptions alone would suffice to fill an ordinary volume;

consisting of over Eighty highly interesting articles, packed with facts concisely set out, and containing statistics of the TRADE of each Country and Port. The work contains Directories and Descrip-
